

## MR. ST. JOHN TURNED DOWN

HIS PLANS REJECTED BY THE PLATFORM COMMITTEE.

The Free-Silver Men at First Approved of the plan, but later, when they saw that the Platform Committee had decided to reject them, they turned down the plan.

CHICAGO, July 8.—The friends of William P. St. John, until recently President of the Mercantile National Bank of New York, do not feel very comfortable to-night.

The Free-Silver men at first approved of the plan, but later, when they saw that the Platform Committee had decided to reject them, they turned down the plan.

Ever since Mr. St. John arrived in town the silver men have patted him on the back and said all sorts of nice things about him.

He has said that he will resign this valuable place for the sake of his principles, and yet when he comes to the platform committee, he is rejected.

MR. ST. JOHN'S FRIENDS.

They Will Have a Jollification at Lebanon if the News Warms It.

LEBANON, Mo., July 8.—Mr. St. John did not come from his home in Lebanon, Mo., to come to Chicago to make the recital of the proceedings at the National Convention.

The enthusiasts here are beginning to show some evidence of their sentiments, and if their champion is nominated the little town of Lebanon will have a demonstration as was never heard before.

It is the plan of the Bland men to hold their jollification in town. Mr. Bland and his family will not be disturbed for the reason that it is well understood that the silver leader dislikes the appearance that is expressed by brass bands and gunpowder.

RYAN'S BOOM WHIRLED IN.

Reached the Convention Hall With a Wind that Set Band Instruments to Playing.

CHICAGO, July 8.—It was 10:30 o'clock. The gong in the hall tapped the hour. There was a swerve and a halt that went from end to end of the building and shook and loosened the rafters.

The wind increased minute by minute. The swish and whirl of the wind filled the hall. The wind instruments began playing all at once.

The wind increased to a tornado that momentarily threatened to wreck the building. The people clapped their hands to their ears to shut out the sound, but it wouldn't shut out. Way down in the southeastern end of the building a banner appeared.

It was a blue banner, and it had on it in silver the magic motto, 16 to 1. It stuck in the air and was seen by all.

Minutes passed, and then the banner shot upward and the name William J. Bryan appeared. The boom of the boy orator of the Platte had arrived.

There had been trouble getting it into the building because the Chicago Exposition Company had refused to let it be put in the hall. It was gotten in finally by cutting in three places and taking it in sections.

It was the name of the boy orator that had stuck in the narrow stairway and held the banner there.

## REPUBLICAN PLANO WORK

IT WILL BE OUTLINED IN CLEVELAND ON JULY 14.

Mr. Hanna is waiting only for the Chicago Convention to adjourn to New York to make his plans for the National Executive Committee.

CLEVELAND, O., July 8.—The National Republican Executive Committee will meet on Friday at the Mark Hanna office in this city on next Tuesday, July 14.

The committee will then decide that the national headquarters will be in New York city, as is customary; will fill the vacancies in the National Committee from Colorado, Alaska, and the District of Columbia, and will decide upon a plan of campaign.

Mr. Hanna admitted this but explained that he was not in a hurry to make a plan of campaign, as he had not yet decided upon a plan of campaign.

It is expected here that the Democratic Convention will adjourn on Friday at the latest. The day following the adjournment Mr. Hanna will go to Canton to make a final submission to the Executive Committee of the Republican party.

This approved, the list will be made public. Perhaps three vacancies exist in the committee that they await the action of the Democratic Convention as a matter of geographical distribution, but that is all. The committee are as follows:

Mark A. Hanna of Cleveland, Chairman; Charles D. Evans of Kansas, Vice-Chairman; Durbin of Anderson, Ind., Cyrus Leitch of Troy, Kan., Joseph H. Manley of Augusta, Me., Henry C. Payne of Milwaukee, Wis.

These have given their assent, and will serve. The other three are likely to be Matt Quay of Beaver, Pa., and John M. Thurston of Little Rock, Ark., and John M. Thurston of Omaha, Neb. It is to be borne in mind that the committee will be made up of men who will bring into prominence some one not yet mentioned. The Secretary of the committee will certainly be William McKinley Osborne of Boston, Mass.

It is definitely settled that New York will be represented on the Executive Committee, except in the case of the National Committee, which is indicated, and that for any wounded feelings which may exist in the Empire State will be applied in the form of appointments to the Advisory Committee.

Major McKinley will leave Canton, for the first time since his nomination, on July 10, to attend the centennial celebration of the founding of Cleveland. Mr. Hanna has not decided yet whether he will leave Cleveland for his vacation next month or not. If he does he will not go to Newport, R. I., as has been reported.

State Senator Van Vorhes and Col. L. B. Brown of California are expected to visit Mr. Hanna today. They came to lay before Mr. Hanna the necessity of making California the battle-ground of the McKinley fight. They say it is the pivotal State. They said free silver now had the call. Senator Van Vorhes said:

"We want Mr. Hanna to make his position on the financial problem before the voters of California in such a way that they will turn out and work for McKinley. They will have a hard fight on their hands, and it will take every man to carry it off."

"Four years ago the Republicans imagined that they had a clinch, did not work, and the Democrats carried everything in the State. Much depends upon the action of the Democratic Convention. If Teller declares for free silver and protection from the tariff, the Democrats will carry all the Pacific slope States, besides the Interior Western States. Such a move would prove disastrous to McKinley's success."

In discussing the question, Mr. Hanna said: "Silver men from the Pacific coast and far West are coming to the National Convention to support a Democratic Presidential candidate that they will never get any financial relief unless it comes from the Republican party."

WOMEN IN THE CAMPAIGN.

Many Ladies of Northern Ohio Will Visit Major McKinley.

CANTON, O., July 8.—The visit of the women of Cleveland and other northern Ohio towns to Major McKinley on next Tuesday, July 14, is one of the notable incidents of the campaign.

Mr. Coe Stewart, prominent in the women's club of Cleveland, was here this evening to further arrange for the affair.

The plan decided upon is to have the entertainment at Myers Lake, a summer resort just at the edge of the city. The women will be met by Mrs. Ely M. Avery, who is a leader in the women's suffrage cause and has made herself prominent in that capacity in Cleveland, and a response by Major McKinley.

Before the ladies visit him, the visitors will be met by Mrs. Ely M. Avery, who is a leader in the women's suffrage cause and has made herself prominent in that capacity in Cleveland, and a response by Major McKinley.

## AGAINST LLOYD COLLIS.

The 25 Names He Enrolled in His District Most He Stricken Out.

The Republican Committee on Organization decided last night after hearing testimony from Lloyd Collis and other officers of the Thirtieth Election District Association of the Twenty-ninth Assembly district, to recommend the reorganization of the association to the County Committee, and to call a meeting of the County Committee to take action on the matter next Tuesday evening.

They also determined that the twenty-five names enrolled by young Mr. Collis at the special meeting held on June 24 must be stricken from the rolls, as the meeting was illegally held, proper notice not having been given.

Mr. Collis admitted this but explained that he was not in a hurry to make a plan of campaign, as he had not yet decided upon a plan of campaign.

He says There Must Be No Partisan Politics in the A. F. of L.

Samuel Gompers, President of the American Federation of Labor, made a side thrust at the Socialist Labor party yesterday in the form of an address to the affiliated unions. He reminds them that as the country is soon to be the theatre of a political campaign, the A. F. of L. principles do not allow it to mix politics with its trades unionism.

Mr. Gompers says: "The industrial field is littered with more corpses of organizations destroyed by the damaging influence of partisan politics. It is the duty of the A. F. of L. to keep its hands off politics, and to keep its hands off politics, and to keep its hands off politics."

"Party politics, whether they be Democratic, Republican, or otherwise, have no place in the Convention of the American Federation of Labor."

The Socialist Labor party held its State Convention last evening in the Grand Central Palace to nominate candidates for Governor and Lieutenant-Governor of this State.

The meeting was called to order by Lucien Sanial, and Hugo Vogt was elected Chairman. After the report of the State Executive Committee was read, the candidates for Governor and Lieutenant-Governor were nominated.

The Republican Vice-Presidential Candidate Comes to Town and Talks from the Shoulder to the Anti-Organization Men—A Word About Manager Hanna's Plans.

Garret A. Hobart, Republican candidate for Vice-President, was in the city yesterday, and made the first authoritative statement regarding the purpose of Chairman Hanna of the National Committee in dealing with New York Republicans in his appointment of Executive and Advisory committees.

Frequent rumors have come from Cleveland announcing the purpose of Mr. Hanna to appoint anti-organization men like Warner Miller and Cornelius N. Bliss on one or the other of these committees. Mr. Hobart, who is an experienced politician, said that he was not in a hurry to make a plan of campaign, as he had not yet decided upon a plan of campaign.
